Northcott Prairie School

2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Ensuring that students are actively engaged in meaningful and relevant learning, specifically targeting literacy and numeracy.
- Increasing students' abilities to show growth and achievement in the areas of citizenship and lifelong learning.
- Ensuring that students are self-aware, focused and demonstrate perseverance and resilience while contributing to a welcoming and caring school environment.

You Can Help By:

- Supporting with regular reading and practicing Math facts at home.
- Checking PowerSchool regularly and having conversations with your child about progress.
- Being in regular communication with classroom teachers regarding student progress and how to support student learning needs from home.

Next Year You Can Look Forward To:

- Northcott Prairie School becoming a Kindergarten to Grade 9 school.
- Continued focused on engaging and relevant learning experiences.
- Increased option choices for grade 7-9 including a hockey option.
- Continued focus on literacy and numeracy instruction for students.
